

In this annual seminar, we provide practice and up-to-date information on the new laws taking effect in 2011, and court decisions involving cutting-edge employment law concepts, such as:

- Wage-hour compliance
- Harassment, discrimination and retaliation prevention
- Reasonable accommodations
- Managing leaves of absence
- Employer policies and procedures

We will update the topics to be covered as new laws and court decisions emerge. This session is interactive and allows time for questions!
